

SUDARSAN N

B.sc IT

SUMMARY

I'm a motivated B.Sc IT graduate with a strong foundation in software development, database management, and network systems. Proficient in programming languages like Java, Python, and SQL, I has hands-on experience working on projects such as developing an e-commerce platform. Passionate about leveraging technology to solve problems, I'm seeking opportunities in software development, data analysis, or IT support. With a commitment to continuous learning and innovation, I aims to contribute meaningfully to the ever-evolving IT industry.
